Compare Car Insurance Rates by Company

Car insurance company rates vary depending on many factors, which is why it's so critical to shop around for car insurance quotes. A company that once gave you the best price may not be the best company for you anymore

Life events, such as getting married or buying a house, and driving incidents, such as accidents and tickets, can have a huge influence of rates. In fact, you may find that your great rate when you have a clean driving record is much higher after one ticket – and it could make sense to switch to an insurer with cheaper coverage

State	Company	Average annual rate
Alaska	State Farm	\$979
Alaska	Geico	\$1,075
Alaska	Progressive	\$1,080
Alaska	Allstate	\$1,304
Alabama	Geico	\$759
Alabama	Mid Century	\$1,172
