

OnlineColleges.com Reports on New York's Best Online Healthcare Schools

August 15, 2019

Distance education resource evaluates tuition costs, student retention and graduation rates, accreditation and more to determine 7 top online health care schools in New York

Foster City, CA—August 15, 2019—[OnlineColleges.com](https://www.onlinecolleges.com) recently examined distance healthcare degree programs in New York and published an overview of the best online schools for nurses, medical assistants, physical therapists, physician assistants and other healthcare professionals.

New York's healthcare industry has been booming for the past few years, resulting in increasing opportunities for students who train to fill available positions. With record health-related job growth, the state's healthcare workers are enjoying competitive salaries and a sense of job security.

New York healthcare environment

- Healthcare expenditures in the state approximate \$8,000 per person annually, making New York the sixth-most costly state for personal healthcare spending.
- Home health and ambulatory services are among the segments representing the greatest potential for job growth.
- Medical assistants in New York do not need to be licensed for their position.

Best online healthcare schools in New York

To help prospective students choose the ideal healthcare school for their career aspirations, OnlineColleges.com considered factors including: accreditation, tuition costs, retention and graduation rates. The report explains the advantages that each of the following top online healthcare schools provide when it comes to equipping students with tools and resources to enjoy a successful career:

1. New York University
2. SUNY Canton
3. Hudson Valley Community College
4. The Sage Colleges
5. Canisius College
6. University of Buffalo
7. Mercy College

The complete report, [Best Online Healthcare Schools in New York](#), provides information on the most popular healthcare degrees in the state, discusses healthcare career options and advises on how to choose a healthcare major.
