From cost to energy efficiency, the experts at Modernize determine the best hot tub buys for 2021

FOSTER CITY, CA, June 29, 2021 – To help homeowners enjoy year-round relaxation while increasing their home's value, [Modernize.com](#), a leader in the home improvement and home services industry, releases its picks for the ten best hot tub brands. The list, [10 Best Hot Tub Brands of 2021](#), is curated based on the qualities homeowners care about most: cost, warranties, [energy efficiency](#), amenities, materials and quality, and sizing availability.

Highlights of the top hot tub brands include:

1. **Bullfrog Spas:** Specializes in larger hot tubs for those who want to soak in the [outdoors](#) with guests. For \$5,000 to \$15,000, consumers can get a hot tub with a variety of jets, waterfalls, and full foam insulation with seating for three to ten people.
2. **Jacuzzi:** Tops the list thanks to its long-standing experience and positive reputation, as well as its patented water/air technology. Made from durable acrylic shells that can seat two to six people, these hot tubs cost \$6,000 to \$17,000.
3. **Sundance Spas:** Offers five spa series that range from \$4,000 to \$16,000 and include many affordable amenities. The brand makes the list for its patented jet design, long-lasting acrylic shells, and impressive 10-year shell structure warranty.
4. **ThermoSpas:** Features energy-efficient models with multi-layered modular insulation and up to 125 jets. ThermoSpas is known for offering personalized hot tubs with products for small and large families alike. This brand makes the list due to their robust 20-year structural warranty – one of the best in the industry.
5. **Caldera Spas:** Offers three series and dozens of models with amenities ranging from affordable to luxury, Caldera Spas offers something for every budget. Products range in price from \$3,000 to \$16,000 and offer an ideal blend of comfort, design, and energy-efficient performance.

In addition to determining and ranking the top ten hot tub brands, Modernize answers common questions consumers have about purchasing, installing, and maintaining a hot tub.

"While many homeowners consider adding a hot tub in the summer, families may find soaking in a hot tub on cold winter nights to be a favorite pastime. Our experts narrow the list to make product selection easier," explains Gregg Hicks, vice president of Modernize.com. "Modernize can connect you to local professionals who offer top-quality hot tubs and can assist you with installation."

Hicks is available to answer questions about the methodology used to create the top ten hot tub brands list, as well as offer advice on finding a qualified hot tub installation contractor.
