Shop and save on insurance

Find the lowest car insurance rates for your desired coverage.

Compare car insurance

The CarInsurance.com app is free -- no subscription fees or surprise costs involved.

Always Get the Best Deal When Renewing Your Auto Policy

The CarInsurance.com mobile app reminds you to review your policy whenever it is about to expire or renew to ensure that you're getting the best deal. The goal is to help you shop for and maintain the proper car insurance coverage at the lowest rates possible. It also looks at your self-reported data to obtain free quotes from multiple insurers for comparison.

Set reminders to notify you when your policy is about to end (so that you remember to shop for lower rates) Get customized rate quotes based on your profile (by looking at the factors that matter to auto insurers)

Advertised example rates are returned based on the driver's self-reported data and the driver meeting certain criteria. Also, safe driver and other discounts may have been applied to achieve the advertised rate, which may not be available to the average consumer. Your actual quoted rate may vary greatly and may be subject to adjustment based on verification of your self-reported data.
